LABOR PUTS BENTON HARBOR ON THE UNFAIR LIST

"Illinois and Chicago Federations of Labor have both put the city of Benton Harbor on the unfair list," says a circular letter sent out by

cigarmakers' international union. "The place is a non-union employers' paradise."

Union organizers are not allowed to hold meetings nor speak to non-union men on streets. It is charged, and business men's associations boast that non-union employers get special favors from the city government.
